## **CHURCH OF PEACE IN ŚWIDNICA**

**The largest wooden baroque church in the world.**

Inscribed on the World Heritage List of UNESCO, located on the old Protestant cemetery. Churches of Peace in Świdnica and Jawor bear testimony to the quest for religious freedom and are a rare expression of Lutheran ideology in an idiom generally associated with the Catholic Church.

## **KSIAŻ CASTLE**

**The Pearl of Lower Silesia.**

Erected in the 13th century, the third largest castle in Poland, beautifully surrounded by the forest at the height of 395m above sea level. Moreover Książ castle was home to many noble families. Visitors can admire the majesty of numerous chambers, terraces and surrounding gardens.

## **UNDERGROUND CITY OSÓWKA**

**The last and the most developed Hitler's headquarters, built in Lower Silesia.**

The underground tourist route in Osówka complex is a system of concrete corridors, halls of fortifications that were built on a large scale in 1943, by workers and prisoners from the camp Gross-Rosen. Excavations are part of "Riese" complex - Hitler's biggest quarters not only in Lower Silesia, but in the whole Reich.

## **WALK AROUND JEDLINKA PALACE**

**One of the main headquarters of the "Riese" program.**

Known as the porcelain palace is one of several hundred preserved palaces in Lower Silesia. During visit we will meet with a history of this place such as The Silesian Wars, the times of the industrial revolution, the secrets of rich factory owners, hidden chests full of treasures and unsolved secrets of World War II.
